Dear Sir,

Thanks for your support, and good luck with the resolution. I agree with Thomas Sowell, who wrote that if we ask ourselves before any decision whether it improves education for kids or not, then we won't go wrong. I can tell you, that despite the union driven media hatestorm, we've been seeing very positive tangible results in Woodland Park, most notably in enrollment. Our district was on the decline for more than 10 years, and lost 30% of it's kids, but since the 2021 election, we've grown by 15%. Now that we're going in the right direction, we just need to keep it up.

Mr. Illingworth,

Thank you for being part of taking back our school districts from the clutches of the socialists. I too am a Patriot and rally to the front as I see your initiatives and fortitude.

Tonight our board will be adopting the Parental Rights resolution that your board passed earlier.

To God and Country.
